2020 - 20024

Full Stack web Development Course
Sorobindu Institute
2022-2023

MD Shajibul Islam

Full Stack Developer with MERN

I am a dedicated MERN stack developer pursuing a BSc in Computer Science at CCN University. Passionate about leveraging the latest technologies, I have completed projects showcasing my proficiency in MERN and Next.js. With a strong foundation in web development and a commitment to continuous learning, I am actively seeking a job opportunity to contribute my skills to a dynamic team.

MY PROJECT

1. Social Media website [Live](#) [Github](#) [Video](#)
